## The Piero Gazzola Prize

The Piero Gazzola Prize was established in 1979 in memory of one of the greatest defenders of the conservation and restoration of historic monuments and sites, and a founder and the first president of ICOMOS. The prize is awarded every three years at the ICOMOS General Assembly to an individual or a group of people who have worked together and contributed with distinction to the aims and objectives of ICOMOS. The recipient must be a member of ICOMOS and is chosen by a Selection Committee.
